**Wall 2.0! A Thinly Veiled  
Metaphor for our Current  
Political Landscape  
Disguised as a New  
American Musical**

**World premiere of two companion poignant political musicals direct  
from Colorado, USA**

Two cultures have thrived over many years, one on each side of massive impenetrable wall. Neither knows of the other's existence. Factions on both sides of the wall challenge the status quo. Poignant social commentary emerges... plus tap dancing! When the wall falls, the two societies are forced to interact. Smart ideas for how to unite a terminally divided world emerge... plus hummable tunes and pirouettes! These companion pieces work together, separately, or in any order. See either or both!

The **Denver School of the Arts** is a comprehensive secondary arts magnet school (grades 6-12) in Denver Public Schools. In addition to a rigorous academic program, students engage in intensive studies in Creative Writing, Dance, Music, Stagecraft and Design, Theatre, Video Cinema Arts, and Visual Arts. DSA is committed to fostering a lifelong love of the arts in a culturally diverse, academically challenging environment. This is their second appearance at C venues at the Fringe.
