Brush Theatre (Korea) The Tiniest Frog Prince in the World

by JoByeong Yoon

Be enchanted by a magical fairy tale in this miniature aquatic world

A long time ago, there was a prince and a princess who loved each other. Then the witch of the kingdom used evil spirits to make the couple quarrel and cast a spell, turning the prince into a frog. Join them on their journey to see if the princess will keep her promise, resist the witch's spell, and help her beloved prince finally become himself again.

Korean company **Brush Theatre** present **The Tiniest Frog Prince in the World**, a magical and touching family show. Presented in the unique world of an aquarium only 30 inches in size, both children and adults will be moved by the amazing world unfolding before their eyes. Using a small aquarium, cameras, a screen and puppets, the show is a unique take on the traditional **Brothers Grimm** fairy tale, *The Frog Prince*.

Brush Theatre delivers an inspiring message that asks us to embrace wisdom, a strength and courage to solve our problems and defeat the witch in our own mind.

'Live action and piano music come together to create a magical and mysterious world where nothing is what it seems.' ★★ ★★ *Scotsman*

'A sweet and imaginative show that really draws you into the story that the delightful characters wish to tell' ★★ ★★ *BroadwayBaby.com*
