(Germany)  
Virtuosity  
by Soeren Niewelt**

**JSLN return to the Fringe, with a new stunning double bill**

The new and exciting show follows **JSLN Dance Company's** tradition of encompassing all aspects of their art with classical ballet, comedy and the grace and elegance of artistic Director **Sören Niewelt's** original neo classical choreography.

**JSLN Dance Company** was founded in 2012 by **Sören Niewelt** and **Jessica Larbig** in Berlin, establishing a reputation throughout Asia and in Europe before embarking on its first UK-wide tour in May 2015, performing to delighted audiences. The company currently consists of a core team of 7 dancers from 7 different countries, this helps to create an even more mesmerizing mix in all styles.

The all new double bill program, **Virtuosity** includes *Mojo in Motion* – the piece will entertain you through humorous and fun characters that are based on the *Austin Powers* movies. It will show you that ballet does not equal dull and boring, but that technique, combined with a great story can open new doors for this art form. Popular music is being used to help the audience have an easy time to connect to the dancers. *Consequential Gaps* will delight through beautiful movement and classical music by **J S Bach**. **Niewelt's** neoclassical style is fast, vigorous and exact to showcase the talent and discipline of his international team of dancers.
