PRESS RELEASE

Stiff and Kitsch

Adele is Younger Than Us

by Rhiannon Neads, Sally O'Leary, James Taylor

Musical stand-up about coping with the shattering realisation that you are not a multi award-winning, global record-breaking pop superstar

She's probably younger than you, too, but even if she isn't, but she's certainly more successful. Sally and Rhiannon are not Adele, in any possible way. But what did she ever achieve? World-wide success, eight Brits, ten Grammys, an Academy Award and three double platinum selling albums. What have Sally and Rhiannon achieved? Two years of unemployment, a permanent shaving rash and four failed driving tests.

Adele Is Younger Than Us is the culmination of years of optimistic frustration wedged into an hour of musical stand-up. Watch as Sally and Rhiannon emerge from the cocoon of long and painful adolescence into the world of womanhood, only to realise they weren't Adele-like butterflies at all. They were moths. **Stiff and Kitsch** will take you on a journey through the trials and tribulations of not being Adele.

Stiff and Kitsch is a brand new comedy union from **Sally O'Leary** and **Rhiannon Neads**. You may recognise them as the stars of several badly dubbed adverts on BBC Radio 4. Having met whilst studying at **LAMDA** they soon realised they had a lot in common - they were both in love with guys that didn't love them back, had yet to discover haircuts to suit their face shape, and both regularly found themselves being cast as men. Teaming up under the musical direction of **James Taylor**, who comes with a wealth of experience including **ITV's The Sound of Music Live**, they are finally putting their distinguished classical training to good use in this irreverent revue.

Join them in their attempt to find a man, find a job and Set Fire To The Rain*

*Disclaimer: They won't be able to, they're not Adele.
